Company Profile

Guangzhou Saige Smart Household Products Co., Ltd. is an enterprise integrating R&D, production, sales and service,specializing in the production of sanitary cleaning products and disinfection products in hotels, families and public places.

The headquarters "Westens cleaning products" was established in 2015. In order to improve user experience, Saige was established in 2019 and is committed to creatinghigh-end products. Both companies are located in Huadu district Guangzhou city near the Baiyun airport, with 20,000m^2 factory areas and a team of more than 300 people.

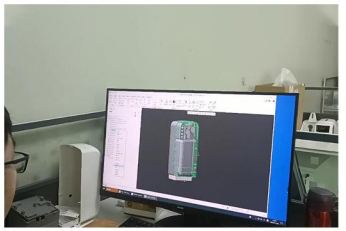

Saige adheres to the concept of "providing more convenient, healthier and more comfortable qualitylife for global users" and continuously develops new products. Our main products include soap dispenser, sterilizer, thermometer, paper dispenser, urinal screen, aroma diffuser, aerosol dispenser, hand dryer, hair dryer, waste bins, etc. We have strict quality control system, good customer service and strong supply chain capability. All our products have obtained CE/FCC/RoHS certification and more than 50 patent certificates.OEM/ODM services are available.

Saige adopts modern production equipment and management system, with high-quality products and excellent marketing team, won many praise and trust. In the future, we will continuously improve our indepen-dent R & D and innovation capabilities, adhere to the tenet of "market as the guide, quality and honesty as the base, service as the first", provide more convenient,healthier, more comfortable quality life.
